

PRATIVA GAUTAM

BSc CSIT Student | Frontend Developer

9847677510 | gautam.prativa35@gmail.com

SUMMARY

Frontend Developer with hands-on experience in building React-based applications using TypeScript, Tailwind CSS, React Hook Form, Zod, and REST APIs. Completed a 3-month Frontend Developer internship at Sajilo Softwares, contributing to different modules with reusable UI components, form validation, and API integration. Experienced in building interactive web applications such as a Movie App using TMDB API with authentication and user-driven features. Passionate about frontend architecture, clean UI systems and improving user experience through scalable code.

TECHNICAL SKILLS

Frontend: HTML, CSS, JavaScript (ES6+), React.js, TypeScript, Tailwind CSS, Bootstrap

- State & Data Handling: React Query (basic), REST API Integration, Local Storage
- Forms & Validation: React Hook Form, Zod
- UI Systems: ShadCN UI (basic), Figma
- Backend & Services: Firebase (Authentication, Database), MySQL (Basics)
- Tools: Git, GitHub, VS Code
- AI Tools: ChatGPT, GitHub Copilot, Claude, Gemini, DeepSeek

PROJECTS

- **Movie App (React)**
API-driven React application
Features include login/signup, favorites, movie details, global reviews, ratings, comments
- **TaskMate (React – Practice Project)**
Simple task management app developed to strengthen React fundamentals
- **TruthLens (React + Python+ML)**
Designed clean and consistent user interface for a fake news detection system
Used Python for connecting frontend and ML and ML algorithm(LSTM) for model training

INTERNSHIP EXPERIENCE

Frontend Developer Intern – Sajilo Softwares

- Implemented CRUD functionalities with backend API integration
- Built and managed form validation using React Hook Form and Zod
- Created reusable UI components following design consistency
- Worked with Tailwind CSS and ShadCN UI for modern interface design
- Participated in remote collaboration and weekly on-site reviews
- Focused on clean code structure, debugging, and feature improvements

TRAININGS & CERTIFICATIONS

- **Linux Fundamentals** – Sathibhai Organization
- **Software Development Fellowship** – Team-based development and agile workflow

EDUCATION

BSc Computer Science and Information Technology (8th Semester)-Padmakanya Campus

+2 Science – Kathmandu Model College, Bagbazzar | GPA: 3.46

SEE – The Skylark English School,Dhapasi | GPA: 3.75
